

PRODUCTS LIST

PRODUCTS LIST

A Aluminium Sulfate
Ammonium Bifluoride
Ammonium Bisulfite
Ammonium Sulfide
Anthracite

B Barium Carbonate Granular
Barium Carbonate Free flowing
Barium Chloride *dihydrate, anhydrous, liquid*
Barium Hydroxide monohydrate
Barium Hydroxide octahydrate
Barium Nitrate
Borax Decahydrate
Boric Acid Granular - Powder - High Purity

C Calcium Chloride *liquid (from 31%)*
Calcium Chloride *solid (briquettes, prills, powder)*
Calcium Formate
Calcium Hypochlorite
Calcium Nitrate
Caustic Potash *(Briquettes)*
Caustic Potash *powder - EUPh/Food*
Caustic Soda *(Briquettes)*
Copper Nitrate
Copper Sulfate Pentahydrate - Technical/Feed

D Decontamination chemicals
Diatomea
Diphenylamine

E EDTA Calcium Disodium Salt Granulated
EDTA Disodium Salt Crystal - Technical/USP/FCC
EDTA Ferric Sodium USP Food
EDTA Salts
EDTA Tetrasodic

F Filtration sand

H Hydrochloric Acid

I Iodine
Isocyanuric Acid

M Maerl
Magnesium Hydroxide
Magnesium Chloride
Magnesium Sulfate Heptahydrate
Magnesium Sulfate Anhydrous

P PDV Salt
Pigments
Potassium Alum
Potassium Carbonate
Potassium Ferrocyanide
Potassium Fluoborate
Potassium Monopersulfate
Potassium Pentaborate
Potassium Tetraborate
Potassium Hydroxide *90% powder*
Potassium Iodate
Potassium Sulfite

R Rubber Mono-concentrates

S Salt Tablets - softeners, swimming pool & industrial uses
Sodium Acetate
Sodium Bicarbonate
Sodium Bisulfate
Sodium Carbonate
Sodium Chlorate
Sodium Chloride
Sodium Dichloroisocyanurate *(56%-60%) - SDIC*
Sodium Ferrocyanide Food grade - Technical Grade
Sodium Formate *with or without anticracking agent*
Sodium Hydrosulfide NaHS *flakes / liquid / paste*
Sodium Hydroxide *solid*
Sodium Hyposulfite
Sodium Metabisulfite
Sodium Octaborate
Sodium Sulfate anhydrous
Sodium Sulfide Na_2S *flakes / liquid*
Sodium Tetrasulfide solution
Strontium Carbonate
Sweetening catalyst - Refinery

T Trichloroisocyanuric Acid *90% (granular/tablets) - TCCA*
Turpentine pure gum

Z Zinc Sulfate Heptahydrate / Monohydrate

Logistics

Warehouses in Europe
and worldwide distribution

Own laboratories
R&D and quality control

All products specifications (technical files, safety data sheets, packaging, sieve analysis) are available upon request
